The Association of Maryland's Cities and Towns

MEMORANDUM

TO: Chief Elected Officials/Chapter Presidents and Secretaries/
Current MML Board Members

FROM: Bill Jorch, Manager, Government Relations and Research

SUBJECT: Nominations for 2020-2021 MML Board of Directors

This is being referred to you as the mayor or equivalent of your town. Please bring it to the attention of all elected and administrative officials in your municipality. All elected and administrative municipal officials are encouraged to submit nominations on the enclosed form for the 2020-2021 MML Board of Directors.

All elected municipal officials of MML member municipalities are eligible to run for League office. However, those from special taxing districts may not be candidates for president or vice president. Candidates may run for only one office. A person nominated for more than one office must choose the single office for which that person will run.

District Vice Presidents are elected by cities and towns within their own districts and do not run statewide. For this reason, it is important that each League chapter elect its District Vice President at a chapter meeting in advance of the MML conference. Persons desiring to nominate individuals to serve on the Board of Directors as President-Elect and Member-at-Large are encouraged to submit nominees well in advance of the deadline to permit publication of nominees' names in the MML *e-Bulletin*. ***The nominations deadline is 12:00 noon on Monday, June 22, 2020. Please submit nominations to League staff prior to the deadline. Email is preferred; BillJ@mdmunicipal.org.***

A person nominated for a League office should have agreed to serve in office prior to his/her nomination and should verify so by signing where indicated on the nominations form. A list of nominees will be published in the MML *e-Bulletin*. However, only those nominees who have been notified of their nomination will be listed. ***So, be sure to check with the person you are nominating and have them sign the nominations form.***
